Directions:

1. Select 1.0 credit of English course and 2.0 credits of other core courses. **English, math, science, social studies, and world language courses are all considered core courses.** Check your Registration Guide for graduation requirements, course information, prerequisites and credit for each course you request. Fill in the Course Number, Course Name, and Credits boxes for each course in each subject area.
2. Request teacher approval / signature to verify correct level placement in all core classes and elective courses with prerequisites. Note: AP course requests require a separate Application/Teacher Recommendation Form for each class.
3. Select elective courses to complete your schedule. Be sure to fill in the Course Number, Course Name, and Credits boxes for each course. **You must take 6.0 credits for your senior year.** If you are taking a music course, your schedule may consist of 7.0 credits which is subject to change due to budget constraints.

Note: Depending on your previous assessment scores or an existing educational plan, you may be placed in an English, math, or science class you have not selected below. You may also be placed in a Reading or Math support class in lieu of an elective.
