### Assessments:

An assessment will be given at the end of each unit/chapter. Assessments will be announced at least one week prior to the date given. At least one quiz will be given during each unit/chapter and will be announced at least one day in advance. A final exam will be given at the end of each semester.

### Homework:

Homework will be assigned daily and collected/graded the next day at the beginning of class. Each assignment will be worth four points. Homework will often be graded on completeness and effort. Assignments will be reviewed daily in class with the opportunity for students to ask questions. It is the **student's** responsibility to monitor their progress on homework and get all questions answered in class or during extra help times. At various times throughout the semester additional assignments may be assigned and will have their own point value. All homework assignments must be done on graph/engineering paper in pencil.

### Extra Help:

I will be able to assist students each morning **by appointment only** from 6:30 – 7:10AM. As I coach boys' tennis, boys' basketball, and girls' tennis, I will be unable to assist students after school.

### Teacher Expectations and Procedures:

In support of the PBS program at Mountain Range, I expect students to follow the guidelines for all academic areas (see below).
