General Expectations
<ul style="list-style-type: none"> Grades are based upon the demonstration of proficiency on units associated within specific grade reporting criteria. Assessment: 90% Assessments are a means to determine a student’s mastery and understanding of information, skills, concepts, or processes. Practice: 10% Practice includes opportunities for students to receive clear, specific, and timely feedback as they are developing knowledge and skills, prior to Assessments. Assessments will be graded based on teacher/district/state rubrics.

Class Expectations
<p>Missing or incomplete assignments/assessments for this course: Superintendent Policies 6280 Homework and 6281 Make-Up Work will be followed for this course. They state that it is the student’s responsibility to request and obtain missing work. When a student has an excused absence, the student has the same number of days they were absent plus one day to make up assignments. <i>Example: A student is excused absent, Monday and Tuesday. The student would have Wednesday, Thursday and Friday to make up the work, which would then be due at the beginning of the period on Monday.</i> Students who are unexcused may not be able to receive feedback from Practice prior to required Assessments.</p> <p>In order to preserve test security, students may be required to take a missed test immediately upon return from an authorized absence if that student has had the opportunity to access all learning prior to the absence. Students missing a group or individual presentation may also be required to give that presentation upon return. <i>Example: A test is given on Thursday and a student is absent on that day (authorized, excused), but was present the days prior. This student may be required to take the test on Friday.</i></p> <p>Plagiarism/Cheating: Plagiarism means to present, as one’s own, the work, writing, words, ideas or computer information of someone else. These sources could be either published or unpublished. Cheating is supplying, receiving or using inappropriate devices to improve performance on a test or assessment. Students who engage in plagiarism or cheating will be disciplined according to the school discipline matrix.</p> <p>Weekly Progress: Current grades are accessible through Infinite Campus. A link to Infinite Campus can be found on the Mountain Range website: http://www.mountainrange.adams12.org/</p> <p>Time Frame for Assignments: The teacher will clearly delineate the due date and time frame for all assignments and students will record this information accordingly in their student planners. Students are encouraged to be engaged and motivated in the completion of their assignments.</p>
