Student Help: I am generally available to help students during my planning period, which is period 2. I am also available before and after school on most days. Please make an appointment with me before you need help so I can plan appropriately.

Types of Assessments:

Formative Assessments: Formative assessments measure the scaffolding skills and /or content embedded in the unit. Formative assessments are taken frequently after a student has practiced a skill or has become familiar with content. Examples of formative assessments include but are not limited to the fitness pre-test, quizzes, and worksheets. The Daily Grade (Standard I Movement Competency) will create a body of evidence for a summative evaluation.

Summative Assessments: Summative assessments are taken when unit mastery is expected. These may include but are not limited to unit finals, post –fitness tests, and daily activity and safety.

Grading:

90%-100%	A
80%-89%	B
70%-79%	C
60%-69%	D
59% and below	F

Teacher Expectations and Procedures:

Absences and Tardies: I will follow the Mountain Range attendance policy as it is specified in the Student Planner and the Parent/Guardian Handbook.

Food and Drink: The goal of the food and drink policy is to maintain a clean school. Students may not have food or drink outside of the student cafeteria area. **Water** is permitted in the classroom, as long as it is in a *clear closed container*. Food and drink can only be consumed in the classroom in conjunction with an academic lesson activity. Food and drink are *never* allowed in the Library or computer labs.

Make Up Policy: Students with an excused absence may make up daily activity and safety requirements by the end of the marking period. Students may do so by joining another PE class during their free period (must arrange with teacher first) or by coming in to Intervention time on Wednesday mornings. A signed PE make up sheet must be filled out and handed in to Mr. Marquez in order to get credit. Students with an unexcused absence will unable to make up classes. If a student wants to retake/make up an assessment, it is at the discretion of the student’s P.E. teacher as to the time frame, as well as the assignments he/she may need to complete, before given the opportunity to retake/make up the assessment.

Dressing Expectations: Expected to be prepared and on time for class. This includes dressing out in proper athletic attire that includes a Mountain Range T-shirt or T-shirt and shorts in school or neutral colors (black, white or grey). Shorts may not have buttons or zippers. Sweat suits and warm up suits are also acceptable. Proper athletic shoes are also necessary. Clothes must conform to safe school policy. In an emergency, loaners are available to P.E. students.
